## Customisation

The Canon i-SENSYS LBP664Cx features an Application Library to further increase efficiency by automating and speeding up everyday tasks. Printing stored forms, templates and other basic documents can be undertaken with a single press of a button. The Application Library allows for the creation of a personalised screensaver in standby mode which can display important messages to users. Useful new application functions on the LBP660 series further boost productivity

## Mobile connectivity

Small and medium sized business owners and staff on the go require mobile access to printing and scanning from any device. The Canon i-SENSYS LBP660 Series models ensure printing is only ever a tap away via a versatile range of mobile connection options including AirPrint (iOS) and Mopria (Android) support. There is also a range of tools and options to enhance mobile printing available from the Canon PRINT Business app

## Faster print speeds

Time is crucial for small business owners, so Canon has ensured that its i-SENSYS LBP660 Series printers are ultra-quick with a lightning fast output of up to 27 single-sided A4 pages per minute. Regardless of the speed, there is no compromise on quality thanks to the printers' advanced engine – meaning a high-quality output every time

## Intuitive touchscreen

Operation is simple. Canon i-SENSYS LBP664Cx boasts a 12.7cm LCD colour touch screen offering access to controls with a simple tap. Installation is easy and instantaneous, and the clear layout makes day-to-day control a breeze.
