

•  
Easy to use, reliable  
scanning with  
scan to cloud  
connectivity

#### Compact Desktop Scanner

The DR-C130 professional scanner offers superb quality and a full-suite of software, making it ideal for both paper intensive and ad-hoc scanning environments.

#### Highly productive scanning

The DR-C130 offers high speed duplex scanning of up to 30 ppm / 60 ipm in colour and B&W. Together with a 50- sheet automatic document feeder you can batch scan documents in less time for faster and more efficient information processing.

#### Cloud connectivity

Create a digital workflow that enables you to scan directly to cloud based applications such as Evernote, Google Docs and Microsoft SharePoint. Information can be quickly scanned and shared with anyone around the world, helping you to communicate information efficiently and improve productivity.

# THE HIGH PERFORMANCE SCANNER WITH OUTSTANDING IMAGE PROCESSING RESULTS

## Superior quality images

As well as easy, fast scanning, the DR-C130 delivers superior quality results thanks to a range of advanced image processing features. These include auto colour detection, text orientation recognition and skip blank page. An advanced deskew feature is also available that enables the scanner to not only detect and straighten documents that are fed at an angle but it also intelligently detects skewed text on scanned images. This helps to eliminate the need to rescan documents and ensures smooth and continuous scanning process.

## Compact, versatile design

The scanner's small footprint makes it ideal for desktops and countertops where space is often limited. The DR-C130 is designed with an adaptable eject tray that can be used open, closed or half-open – it is perfect for busy working environments.

## Easy to use features

The DR-C130 has been designed to encourage easy integration of information into digital workflows with an array of intelligent features. You can create scan jobs that can be registered on the 'start' button at the front of the scanner – so with a touch of a button the DR-C130 can quickly execute the daily scan tasks you set helping you to save time.

## Reliable paper handling technology

Thanks to Canon's innovative design features, the DR-C130 can process a variety of media from thick ID cards and A3 documents in folio mode and documents 3 m in length. Reliable paper handling is achieved with ultrasonic double feed detection that quickly identifies misfeeds, while a convenient double feed release (DFR) function lets you 'ignore and continue' scanning in special cases – such as when scanning with envelopes or documents with sticky notes attached.

## INTUITIVE SOFTWARE THAT ENSURES OUTSTANDING RESULTS

### Capture OnTouch

CaptureOnTouch is designed to make it faster and easier to achieve premium quality results. It includes time saving functionality including Full Auto Mode that delivers a simplified scanning operation and incorporates 'one-touch' scanning for quick, effective execution of scanning tasks. For extra flexibility, CaptureOnTouch supports scanning to multiple file formats, including PDF, PDF-A, TIFF, JPEG, BMP and PPTX. CaptureOnTouch can also send information directly to data management applications.

### Capture Perfect

CapturePerfect is purpose-designed for business-critical scanning and for fully exploiting the DR-C130's powerful productivity capabilities. It includes a great range for viewing options including thumbnail and multiview alongside flexible 'scanning to' options like scan to folder, email and SharePoint.

Kofax VRS helps you achieve excellent image quality every time. It makes scanning simpler and easier thanks to automatic image processing and document handling. Its industry-leading imaging quality improves readability and raises OCR recognition rates so fewer re-scans are required. The result? You save time and money, while significantly increasing productivity.

Nuance eCopy PDF Pro Office supports the creation of industry-standard PDF files and converts static PDF documents into editable files and useful information, enabling collaboration and information exchange like never before.

### OmniPage

Nuance OmniPage converts your original paper documents into editable electronic files using OCR.

Presto! BizCard lets you scan business cards then convert and organise the information into an easily searchable database.

### PaperPort

Nuance PaperPort is a file management application renowned for its intuitive and user friendly graphic interface, making it easy to store, organise and retrieve your digital documents.

# Specifications for imageFORMULA DR-C130

<b>Type</b>	Desktop Type Sheet Fed Scanner	
<b>Document Reading Sensor</b>	CMOS CIS 1 Line Sensor	
<b>Optical Resolution</b>	600 dpi	
<b>Light Source</b>	RGB LED	
<b>Reading Side</b>	Front / Back / Duplex	
<b>Interface</b>	High Speed USB 2.0	
<b>Dimensions</b>	Tray Closed: 298 (W) x 160 (D) x 160 (H) mm Tray Open: 298 (W) x 245 (D) x 490 (H) mm	
<b>Weight</b>	Approx. 1.8 Kg	
<b>Power Requirements</b>	AC100 - 240V (50/60Hz)	
<b>Power Consumption</b>	Scanning 16W or less, Sleep Mode 1.8W or less, Power Turned Off less than 0.3W	
<b>Operating Environment</b>	10 - 32.5°C (50 - 90.5°F), Humidity: 20 - 80% RH	
<b>Environmental Compliance</b>	RoHS and ENERGY STAR	

  

<b>READING SPEED*</b>	<b>DR-C130</b>	
<b>(A4, Portrait)</b>		
<b>B&amp;W / Greyscale</b>	200 dpi / 300 dpi	30 ppm / 60 ipm
<b>Colour</b>	200 dpi	30 ppm / 60 ipm
	300 dpi	15 ppm / 30 ipm

  

<b>DOCUMENT SPECIFICATIONS</b>	
<b>Width</b>	50.8 - 216 mm
<b>Length</b>	53.6 - 355.6 mm
<b>Thickness</b>	52 - 128g/m <sup>2</sup> (0.06 - 0.15 mm)
<b>Card Scanning</b>	Width: 53.9 mm Length: 85.5 mm Thickness: 0.76 mm (Embossed card is supported)
<b>Long Document Mode</b>	3000 mm max (selectable in MS Windows control panel)
<b>Paper Separation</b>	Retard Roller Method
<b>Feeder Capacity</b>	50 sheets (80g/m <sup>2</sup> )

<b>OUTPUT</b>	
<b>Resolution</b>	150 x 150 dpi, 200 x 200 dpi, 300 x 300 dpi, 400 x 400 dpi, 600 x 600 dpi
<b>Mode</b>	B&W, Error Diffusion, Advanced Text Enhancement, Advanced Text Enhancement II, 8-bit Greyscale (256-level), 24-bit Colour, Auto Colour Detection
<b>SPECIAL FEATURES</b>	Automatic Page Size Detection, Deskew, 3- Dimensional Colour Correction, Colour Dropout (RGB), Colour Enhancement Red, Auto Colour Detection, Shading Correction, MultiStream, Preset Gamma Curve, Skip Blank Page, Folio Mode, Scan Area Setting, Edge Enhancement, Moire Reduction, Prevent Bleed Through / Remove Background, Contrast Arrangement, Colour Drift, Character Emphasis, Background Smoothing, Shadow Cropping, Auto Resolution Setting, Double Feed Release, Double Feed Detection (Ultrasonic Sensor / By Length)
<b>BUNDLED SOFTWARE</b>	
<b>For Windows OS</b>	ISIS / TWAIN Driver (Windows XP / VISTA / 7 / 8 / 8.1 / 10) CapturePerfect <sup>1</sup> CaptureOnTouch <sup>1</sup> eCopy PDF Pro Office Kofax VRS Nuance PaperPort Nuance OmniPage Presto! BizCard Reader EMC Captiva Cloud Toolkit run time controls
<b>Options</b>	Flatbed Scanner Unit 101 Silex SX-DS-4000U2 Scan-and-Print Server (convert USB to network interface)
<b>Consumables</b>	Exchange Roller Kit
<b>Suggested Daily Duty Cycle</b>	2,000 scans/day

## Add a Flatbed Scanner Unit 101: for the ultimate flexibility

The optional Flatbed Scanner Unit 101 is an ideal companion for the DR-C130. Convenient for scanning bound and fragile documents, the flatbed unit comes with features such as ambient light cancellation that allows 'open cover' scanning while a 1200 dpi sensor ensures superior image quality.
